video

**For doors 40 mm thick
and weighing no more
than 60 kg**

HOW TO CHOOSE YOUR KIT:

IF YOU ARE CREATING A NEW DOOR OPENING:

the width of the new opening should be based on standard door widths

L (door width)	KIT reference number	O (width of the opening)
730	SC-70	650
830	SC-80	750
930	SC-90	850
1030	SC-100	950
1480	SC-145	1400

RENOVATION, EXISTING DOOR FRAME:

Base your choice on the width of opening existing to determine the width of the door you use

O (width of the opening)	KIT reference number	L (door width)
700	SC-70	780
800	SC-80	880
900	SC-90	980
1000	SC-100	1080
1450	SC-145	1530
